Important notes

Withdrawals

Any withdrawals taken from your policy will be subject to the minimum withdrawal amounts as detailed in your policy literature. The withdrawal amount may need to be reduced if it will take your policy below the minimum allowable policy value.

Tax

UK residents may be subject to a tax charge if withdrawals are in excess of the 5% cumulative withdrawals available (of initial and any additional investments) in any given Policy year. The tax treatment of withdrawals paid from your Policy will depend upon your personal circumstances at that time. We recommend that you speak to your financial adviser or tax professional about your tax situation before taking action on your Policy.

General

Depending on the investment(s) to which the value of your policy is linked, some investment managers may have terms and conditions that prevent us from realising a cash value in a timely fashion, and this could delay your withdrawal payment.

Where applicable, please ensure that the authorised signatory list(s) that we hold for this policy are up-to-date before submitting withdrawal instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will delay the withdrawal. We may also require further information for the purposes of Anti-Money Laundering.

U.S. Specified Person means a U.S. citizen or tax resident individual, who either holds a U.S. Passport, a U.S. Green Card, has a U.S. residential/correspondence address or who was born in the U.S. and has not yet renounced their U.S. citizenship. More information on U.S. FATCA can be found at www.irs.gov/Businesses/Corporations/Foreign-Account-Tax-Compliance-Act-FATCA.

Data protection

Any data you provide to RL360° may be shared, if allowed by law, with other companies both inside and outside of the RL360° Group and to persons who act on your behalf. Data and information about you can be transferred outside of the Isle of Man and RL360° may be required to provide it to its regulator, its government or anyone else required by law.

RL360° will use your data and information to allow for the administration of your policy, prevent crime, prosecute criminals and for market research and statistics. RL360° will, at all times, make sure that your data and information is only used in ways that are allowed by law.

The Isle of Man Data Protection Act 2002 allows you, after paying a small fee, to receive a copy of the data and information RL360° holds about you.
