

## Actuarial Manager

We have an exciting opportunity for a qualified Actuarial Manager to join our Actuarial Team on the Isle of Man.

Reporting to the Appointed Actuary, you will be responsible for:

- financial reporting on statutory, EEV and IFRS bases
- preparation of supporting experience analyses
- leading/participating in various projects. For example, the new risk based capital regime being implemented in the Isle of Man, product development & pricing
- providing general support and actuarial advice to the business
- participation in the governance committees within the business. For example, in the relation to the management of Financial and Insurance Risks, or the setting of assumptions
- day to day management of a team of Actuaries/Trainee Actuaries

Key skills and experience needed to be successful in this role are:

- a minimum of 3 years' post-qualification work experience in a Life Assurance environment
- competent in using the Prophet (or similar) system.
- Good oral and written communication skills
- Strong analytical and problem solving skills

If you are interested in this opportunity, please send your CV, together with a covering letter including details of your current remuneration, explaining why you would be suitable for this role to [careers@rl360.com](mailto:careers@rl360.com).

Closing date for applications is 28 April 2017.
