Franklin Mutual Beacon Fund

The fund's investment policy will be amended to more closely reflect the fund's actual investment profile. In line with this the fund's name will change to Franklin Mutual U.S. Value Fund.

The changes are for clarification only. Franklin believe the changes will provide more clarity on the fund's investment focus. It will not impact the strategy or result in any additional risks. There is no change to the way it is being managed.

Full details of the changes are provided in the enclosed shareholder notification.
