

HOW WILL YOU SPEND YOUR TIME WHEN YOU FINALLY RETIRE?

RETIREMENT IS A TIME WHEN YOU REPLACE THE DAILY ROUTINE OF WORK WITH THE FREEDOM TO DO WHATEVER YOU WANT TO.

For some it's simply relaxing with family and friends, but for those with a more adventurous spirit, it's a time to travel and experience what the world has to offer.

As they say, the world is your oyster. So, whilst your options are only limited by your imagination, your ability to pay for them might be a different story altogether. After all, we can dream of the things we want to do in retirement, but if we can't afford them, then they will sadly remain just dreams.

To fuel your imagination, we have come up with some of the most spectacular bucket list ideas but you may be surprised at how much it currently costs.
