04 SOURCE OF FUNDS DETAILS

The Isle of Man Financial Services Authority requires all Isle of Man life companies to make enquiries as to how an applicant has acquired the monies to be used as payment for their plan. This reflects the Isle of Man’s commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to meet these regulations, categorising our products and countries that we will accept business from into Standard or Higher risk. We have categorised countries according to their level of compliance with international regulatory standards.

07 DECLARATION

Plan literature

I confirm that I have read a copy of the plan literature including the Product Guide, Key Information Document and Terms and Conditions.

My application

I confirm that all of the information provided in this application, along with any supporting forms, questionnaires, statements, reports or other information is true and complete.

Availability

I confirm that to the best of my knowledge and belief, I am not subject to any legislation that would make this investment this plan unlawful.

Financial adviser

I have appointed (company name) to act as my financial adviser.

I agree to RL360 Insurance Company Limited (RL360), disclosing all information relating to the plan to my appointed financial adviser. I will let RL360 know in writing if I decide to change my appointed financial adviser.

Illustration

I understand that my Illustration is not guaranteed by RL360 or my adviser, and only offers an indication of what I might get back under a limited number of scenarios. I accept that RL360 is not responsible for monitoring whether my plan's performance matches the assumptions made in my Illustration.

Key Information Document (KID)

I confirm that I have included a signed KID with this application.

I understand that the KID sets out the details of my plan, and by signing it I acknowledge that I am aware of the charges that will be deducted.

I am also aware that the details that I have provided in Section 02 – Plan Requirements must match my signed KID. If they are different RL360 will ask me to sign a new KID matching Section 02 – Plan Requirements before it can allow my plan to start.

Investment

I am aware that RL360 does not provide investment advice.

I request that RL360 allocates the payment to the assets detailed in Section 03 – Asset Requirements. In order for RL360 to do this, I confirm the following:

- a) I agree to RL360 acting on dealing instructions received from me or the appointed investment adviser, and I will read the documentation issued by the asset manager for each asset prior to selecting it for the plan.
- b) Where the payment is allocated in full or in part to any cash deposit account(s), I am aware that I may not be covered by any depositors compensation scheme should the deposit account provider become insolvent. I am aware that this is because RL360 holds this account on my behalf.

I acknowledge the risks associated with linking a cash deposit account to the plan and accept that in the event of the insolvency of my chosen deposit account provider, RL360 will have no responsibility for any loss and I could lose the full amount invested.

I am aware and acknowledge that the deposit account provider I choose to invest with may not be an institution or subsidiary with which RL360 would normally hold balances or deposits.

- c) I am aware that some assets (including cash deposits) may have terms and conditions that could:
 - i) restrict RL360 from realising a cash value when requested and prevent RL360 paying out benefits from the plan in a timely fashion.
 - ii) result in RL360 receiving the cash value from a sale in multiple instalments. If this should happen RL360 has the right not to re-invest or pay in full, benefits from the plan until the amount has been received in full.
 - iii) result in RL360 receiving a payment from a sale by a means other than cash. If this should happen RL360 may require us to cancel some or all of the plan.
 - iv) result in RL360 having to pay back some or all of the sale proceeds if an adjustment has to be made after the payment. If RL360 is required to make such a repayment and the plan value is too low to cover it, or I have cancelled the plan, I agree to compensate RL360 for any loss that it has suffered as a result.
- d) I accept that RL360 has the right to sell assets linked to the plan without requiring my permission. RL360 may do this if it decides that an asset may have harmful legal or tax consequences under law.

- e) I am aware that there may be fees to pay when RL360 sells one or more of the assets linked to the plan. Any fees due when selling an asset should be detailed by the asset manager in the asset documentation.
- f) I confirm that I am aware of the fees that must be paid in relation to the chosen assets. I realise that these fees are required to cover the costs of promoting and distributing the assets, including any commission paid to my appointed adviser(s).

Applicants

- a) I confirm that I have the necessary powers to take out this plan and enter into a contract with RL360.
- b) I also confirm that my company has not been, and is not in the process of being, struck-off, dissolved, wound-up or terminated.
- c) I agree that I will notify RL360 in writing immediately when any of the directors, list of authorised signatories or trustees change.
- d) I agree that I will provide evidence of identity and current residential address when asked by RL360. I also acknowledge that RL360 can ask for an up-to-date authorised signatory list at any time.
- e) I am aware that RL360 is authorised to obtain a bank reference at any time.
