SECTION 3 YOUR SOURCE OF FUNDS

The Isle of Man Financial Services Authority requires all Isle of Man life companies to make enquiries as to how an applicant has acquired the monies to be used as payment for their plan. This reflects the Isle of Man's commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to meet these regulations, categorising our products and countries that we will accept business from into Standard or Higher risk. We have categorised countries according to their level of compliance with international regulatory standards.

Full details on the source of funds procedures can be obtained from your financial adviser or can be downloaded from www.rl360.com/sourceoffunds.pdf.

You must complete the annual salary question in full, in all cases, and for both policyholders as applicable. You must also disclose to us any other sources of funds within this section. Please use Section 4 if you require more space for details.
