Amount - Tell us how much you wish to sell or to buy of an investment. You can choose a cash amount (including the currency), a number of units or percentage. When stating percentage amounts, as a default, we will apply these at asset level. ISIN/SEDOL/Ticker - Please provide us with the ISIN/SEDOL/Ticker code for your chosen investment. Generally, the ISIN/SEDOL/Ticker can be found on the factsheet appropriate to your chosen investment. For any exchange traded asset we will require the SEDOL or full Bloomberg Ticker (including the relevant exchange).

Investment name - Please tell us the name of your chosen investment including its currency, any class that may apply (for instance Class 'A', 'B' etc), and the type of units you require ('Accumulation' or 'Income'). IMPORTANT NOTES

Any choice of investment is entirely at the risk of the plan owner/investment adviser. It is the responsibility of the plan owner/investment adviser to ensure that all available documentation has been read and understood in respect of any investment chosen. Whilst RL360 may allow an investment to be selected, it does not approve or endorse any investment that is available for selection. As such RL360 accepts no responsibility for losses, damages and/or costs (including but not limited to legal fees) that may be incurred as a consequence of subscribing to or otherwise acquiring an interest on your behalf.

Processing deals

We will process your instruction on the day on which we receive it, subject to:

- your instruction being received by 9am (GMT) on that day
- our offices being open for work on that day
- all necessary documentation being supplied
- compliance with your plan Terms and Conditions.

If, for whatever reason and further to the above criteria, we are unable to process your instruction on the day on which we receive it, we will process it on our first working day thereafter.

Only instructions (including scanned or faxed copies) signed by the plan owner, trustees, appointed investment adviser or, if applicable, an authorised signatory of that company will be accepted. On no occasion will RL360 accept verbal dealing instructions. We cannot accept responsibility for any failure to action an instruction resulting from an error in transmission or if the scanned document or fax is illegible, incomplete or unclear. Originals of scanned documents or faxes are not required.

Ordinarily, your chosen investments will receive the price on the next dealing day following your instructions being processed by us. For investments that are not priced on a daily basis, we require two full working days notice in advance of any dealing cut-off date. Where two working days notice has not been provided we will do our best to process your instructions, but we cannot guarantee that they will be processed in time, therefore your deals could be delayed until the next available dealing date.

Sale proceeds will always be received in the currency in which the investments were purchased, unless you state otherwise.

Purchases will only be made where there are sufficient funds within your plan cash account to cover the purchase, and related dealing costs. If your purchase is dependent upon a linked sale we will only place the purchase once your sale has settled. If you are selling and purchasing exchange traded assets only, these will be placed together at the same point. If you are purchasing an investment that is not in the same currency as your plan currency, and there are insufficient funds to proceed with the purchase, then we will require a foreign exchange instruction prior to placing the deal.

General

The investments linked to your plan are owned by us, and in most cases will not be eligible for compensation under investment compensation schemes.

Some assets may be subject to withholding taxes and it is unlikely that RL360 will be able to reclaim any amount deducted.

If you link your plan to a cash deposit account your investment may not be covered by any depositors compensation scheme, should the deposit account provider become insolvent. This is because you are not the owner of the account(s) linked to your plan, we are. Therefore the amount (if any) which we recover under any depositors compensation scheme could be substantially less than the amount you might have been able to recover had you owned the cash deposit account(s) yourself. Where any cash deposits are chosen, we will require the plan owner to provide us with a declaration in addition to this form to confirm they understand the risks involved.

Where the provider of an investment linked to your plan becomes insolvent, your plan will incur the loss.

It is the responsibility of the plan owner(s) and (where applicable), their appointed investment adviser, to read the prospectus and any other documentation associated with the asset being selected, including any risk warnings.

All investments must be acceptable to us and compliant with any regulations that may apply. We cannot accept responsibility for any losses incurred whilst determining if an investment is acceptable, or should we decide not to allow a particular investment.

You should make yourself aware of the fees payable in relation to your chosen investments. You should note that these fees are required to cover the costs of promoting and distributing the investments including, in some cases, commission to your financial adviser and/or investment adviser. Where applicable, please ensure that the authorised signatory list(s) that we hold for this plan are up to date before submitting dealing instructions. Where authorised signatories have changed and we are unable to match those on this form with our records, this will delay deals being placed.

We are not authorised to provide you with investment advice, and we would always recommend that you consult a professional before making investment decisions.

PLAN OWNER CASH DEPOSIT DECLARATION

Plan number

I fully acknowledge and accept the risks associated with linking the value of my plan to a cash deposit account, and I am aware that my deposit may not be covered under any depositor compensation scheme should the deposit account provider become insolvent. I understand that this is because RL360 Insurance Company Limited holds this account on my behalf. Therefore the amount (if any) which is recoverable under any scheme could be substantially less than the amount I might have been able to recover had I owned the cash deposit account directly.

I accept that in the event of the insolvency of my chosen deposit account provider, RL360 Insurance Company Limited will have no responsibility for any loss. By signing below I acknowledge the above statements and request that a deposit is made with the provider and account named below.

I am aware and acknowledge that the institution(s) and/or their subsidiaries which I choose to invest in may not be institutions or subsidiaries where RL360 would normally hold balances or deposits.
