We will also require 5 working days to process any cancellations or amendments to your card details.

CREDIT CARD PRE-AUTHORISATION
Pre-authorisation is the process of pre-approving payments with your card provider. We carry out this process to make sure that the card’s details are correct and working properly prior to collecting your premium.

This process will create a pre-authorisation on your credit card for one unit of the currency you pay your premiums in i.e. GBP1.00/USD1.00/EUR1.00 etc. This amount may not appear on your credit card statement, but will affect the card balance or spending limit until your card provider removes it.

If you have opted to receive text messages from your card provider, you may get a confirmation text for this transaction.
