Dear <Salutation>

CHANGES TO THE FUND RANGE FOR YOUR PLAN – PROTECTED LIFESTYLE - <PLAN NUMBER>

We regularly review the funds available to Protected Lifestyle to ensure that plan owners continue to have access to a high quality and diverse range of funds, to help them meet their investment goals. We have recently completed a review of some of our investment sectors in the range and are making a number of changes.

The review process considers the performance and risk profile of funds within the range to determine whether they continue to provide the right outcomes for investors and remain appropriate for the product. We also consider new additions that would offer something attractive or complementary to the range. As a result, we are intending to remove **five** of our existing funds from the range, whilst adding **one** additional fund. These amendments to the range sit within the Global Managed sector.

Following the above changes, our core fund range now stands at over 90 funds (over 170 including currency variants).

What does this mean?

You are invested in one or more of the funds that we are removing from the range, detailed overleaf. We have selected an alternative fund and you will be switched into this automatically (including any regular payment allocation) between 13 and 27 April 2022. You can remain invested in the closing fund you hold until the date we switch you.

If you are happy with our choice of receiving fund then you do not need to do anything. However, if you would prefer to switch to a different fund it is very easy to do. You may want to discuss the options with your financial adviser before deciding.

Switching funds is easy

Visit the fund centre for your product at www.rl360.com/fundcentres to help you decide on a new fund, or funds. After that choose one of the following options:
