

PLAN OWNER NOTIFICATION

3 November 2023

Dear Plan owner

CLOSURE OF THE JPMORGAN FUNDS - EMERGING EUROPE EQUITY II FUND AND IMPACT ON YOUR RL360 PLAN

We have been informed by JPMorgan Funds ("JPMorgan") that it will be closing its **JPMorgan Funds – Emerging Europe Equity II Fund** (the "Merging Fund") and merging the value into its **JPMorgan Funds - Middle East, Africa and Emerging Europe Opportunities Fund** (the "Proposed Receiving Fund") on 14 December 2023 (the "Merger Date").

Your plan invests in the Merging Fund so we wanted to make you aware of the alternative action we will be taking following JPMorgan's notification and explain your options for switching to a different fund if you prefer.

Background to the merger

The JPMorgan Board believes that the Merging Fund has limited prospects for growth in the future and it would be in shareholders' interests to merge it into the Proposed Receiving Fund, which has stronger growth potential. The Merging Fund invests primarily in companies of the emerging markets of Europe only, whilst the Proposed Receiving Fund invests primarily in companies of the Middle East, Africa and emerging markets of Europe. The Proposed Receiving Fund was launched in January 2023 and is currently around USD 5million in size.

JPMorgan action happening ahead of the Merger Date

JPMorgan has advised that while there is some overlap between the Merging Fund and Proposed Receiving Fund, there is a portion of the Merging Fund's portfolio which does not resemble that of the Proposed Receiving Fund. Therefore rebalancing of the assets in the Merging Fund will be required in preparation of the merger. All or part of the Merging Fund's assets may be held in cash for a short period in preparation for the merger, resulting in the Merging Fund having less market exposure which may have a positive or negative impact on performance. It is expected that such portfolio rebalancing will commence no earlier than 15 business days prior to the Merger Date.

With effect from 1.30pm (UK time) on 11 December 2023, JPMorgan will stop accepting subscriptions and redemptions for the Merging Fund.

Action RL360 will be taking in regard to the merger

The Proposed Receiving Fund is not available in our Savings and Investments fund range for your plan. Therefore, just ahead of the Merger Date we will instead switch your holdings into the **Aberdeen Standard Liquidity Fund - (Lux) Euro Fund** (the "Alternative Receiving Fund") which is a Currency/Money Market fund denominated in Euro. The Alternative Receiving Fund has been selected as we do not feature an alternative Emerging Europe Equity fund in the fund range that we can switch you into.

Please note that as the Alternative Receiving Fund is a Currency/Money Market fund it is important for you to be aware that it has a very different risk/reward profile to the Merging Fund, which is an Equity fund. Because it carries less risk than an Equity fund, potential growth is expected to be lower. Details of the Merging Fund and the Alternative Receiving Fund are set out in the Appendix at the end of this letter. Please refer to the Appendix for further information.

We have now closed the Merging Fund to new business and switches in with immediate effect. However, existing investors can continue to invest in the Merging Fund until 7 December 2023. On 8 December 2023 (the "Switch Date"), any holdings in the Merging Fund will be automatically switched, and any regular premium allocation redirected (if applicable), into the Alternative Receiving Fund.

Please note that although the switch value from the Merging Fund to the Alternative Receiving Fund will be the same, you will receive a different number of units in the Alternative Receiving Fund, as the unit price is different to the Merging Fund. Details of the switch will be available to view via the transaction screen for your plan on our Online Service Centre. If you are not already registered to manage your plan online, you can sign-up at www.rl360.com.

Your options

If you are happy to invest in the **Aberdeen Standard Liquidity Fund - (Lux) Euro Fund** you don't need to do anything.

However, it is important that you consider your option of switching to a different fund from the fund range should you wish your holdings to continue to be invested in an Equity fund. **You may want to discuss the options with your financial adviser first before deciding.**

Should you prefer to switch existing holdings and/or redirect any regular payment allocation (if applicable) to a different fund available to your plan, it's free of charge and very easy to do. If you would like this to happen before the Switch Date, we must receive your instructions by 5.00pm UK time on 6 December 2023.

Important note

The Merging Fund was launched on 17 February 2023 following the transfer of the liquid assets of JPMorgan Funds – Emerging Europe Equity Fund into the Merging Fund.

On 28 February 2022, JPMorgan Funds published a website Shareholder Notification informing shareholders of the decision to temporarily suspend the calculation of the Net Asset Value of the fund JPMorgan Funds – Emerging Europe Equity Fund (the ‘Suspended Fund’).

This temporary suspension remains in force as normal market trading conditions continue to be significantly impaired due to the ongoing conflict between Russia and Ukraine. This suspension was the first step to protect the best interests of shareholders in the Suspended Fund. JPMorgan believe the Merger is the next step to protecting shareholder interests.

If you were an existing investor in the Suspended Fund on 28 February 2022, you continue to retain an interest in the Suspended Fund and any applicable value that JPMorgan is able to return to shareholders, should they be able to sell the Russian assets in the future, once sanctions are lifted.
