Dear «Salutation»

NOTIFICATION OF NAME CHANGE TO FRANKLIN TEMPLETON INVESTMENT FUNDS – TEMPLETON GLOBAL FUND

We are contacting you as your policy holds the above mentioned fund.

We have been notified by Franklin Templeton Investment Funds (the "Franklin Templeton") of changes to its Templeton Global Fund (the "Fund"). These changes will take effect from **8 June 2026** (the "Effective Date")

Name change

From the Effective Date, Franklin Templeton will be renaming the Fund to Templeton Global Focus Fund and clarifying the investment policy of the Fund by building in flexibility to have some small exposure to small and mid-cap companies. In addition, as the Fund has not invested in debt obligations of companies or government of any nation worldwide, the investment policy of the Fund will be amended for clarification purposes. Accordingly, the investment policy will be amended as follows (with revisions shown as mark-up):

> *"The Fund's investment objective is capital appreciation, which it seeks to achieve through a policy of investing in equity <u>securities</u> ~~and debt obligations~~ of companies ~~and governments of any nation~~ throughout the world, including emerging markets. The Fund invests principally in common stocks <u>and may invest up to 10% of its net assets in small and mid-cap companies with a market capitalisation below 10 billion US dollars at the time of purchase</u>."*

In addition, the "Smaller and Midsize Companies risk" will be added to the list of risks that may be relevant to the Fund under the sub-section headed "Risks of Investing in the Fund" in the Fund's profile.

In line with the above changes, on the Effective Date the Fund, as featured in your Preference policy, will change name to **Templeton Global Focus A Acc USD**, as we include the share class and currency for clarity.

The above changes will happen automatically within your policy and you do not need to take any action.
