**THIS IS A NOTIFICATION THAT AFFECTS THE PLANS LISTED IN THIS LETTER. PLEASE PASS THIS TO THE INVESTMENT ADVISER IN YOUR COMPANY WHO MANAGES THE INVESTMENT CHOICES ON THESE PLANS, AS THEY MAY WISH TO TAKE SOME ACTION.**

The plans advised by you and impacted by this notification are listed at the end of this letter. We have not written directly to the owners of the plans listed. As each plan owner has appointed your company in the capacity of investment adviser to manage the investment choices on their behalf, you should contact your clients as necessary to discuss the details of this notification and any recommended course of action.

Dear investment adviser,

**CHANGES TO THE FUND RANGE FOR RL360 LIFEPLAN**

We regularly review the funds available to LifePlan to ensure that plan owners continue to have access to a high quality and diverse range of funds, to help them meet their investment goals. We have recently completed a review of some of our investment sectors in the range, and are pleased to be able to announce a number of changes.

The review process considers the performance and risk profile of funds within the range to determine whether they continue to provide the right outcomes for investors and remain appropriate for the product. We also consider new additions that would offer something attractive or complementary to the range. As a result, we are intending to remove **four** of our existing funds from the range (five including currency variants), whilst adding **seven** additional funds (18 including currency variants). The new additions to the range include a global equity fund, three global bond funds, two global managed funds and a single UK equity fund.

By adding these funds, our core fund range now stands at over 90 funds (over 170 including currency variants).

**What does this mean?**

Your clients are invested in one or more of the funds that we are removing from the range, detailed below. We have selected alternative funds and they will be switched into these automatically (including any regular payment allocation) between 25 March and 8 April 2020. They can remain invested in the closing fund(s) they hold until the date we switch them.

If you are happy with our choice of receiving fund then you do not need to do anything. However, if you would prefer to switch to a different fund, it's free of charge and very easy to do.

**Switching funds is easy**
