Allianz Euro Investment Grade Bond Strategy	Change of the Investment Principles	
	<p>a) Sub-Fund assets may be invested in Interest-bearing Securities. These Interest-bearing Securities are restricted to those, which are denominated in EUR and are issued in countries participating in the OECD and at the time of acquisition have a specific investment grade rating from a recognised rating agency. At the time of purchase, assets within the meaning of sentence 2 which have been accorded a rating must not carry a rating below BBB- (Standard & Poor's) or equivalent ratings by other rating agencies. If two different ratings exist, the lower rating determines whether an asset may be purchased; in case of three or more different ratings, the lower of the two best ratings shall be key. Index certificates and other certificates whose risk profile typically correlates with Interest-bearing Securities as defined in this letter a) or with the investment markets to which these assets can be allocated may also be acquired for the Sub-Fund. Subject in particular to the provisions of letter j) the acquisition of Equities and comparable rights in the exercise of subscription, conversion and option rights on convertible bonds and bonds with warrants is restricted to a maximum of 10% of Sub Fund assets. Mortgage-backed securities (MBS) and asset-backed securities (ABS) may not exceed 20 % of the value of the assets of the Sub-Fund.</p> <p>b) Up to 5% of Sub-Fund assets may be invested in assets as defined in letter a) sentence 1 that are rated between BBB- and BB- (Standard & Poor's) or equivalent.</p> <p>c) Subject in particular to the provisions of letter j), max 10 % of the Sub-Fund assets as defined in letter a) sentence 1 are invested in assets that at the time of acquisition are not rated by a rating agency.</p> <p>d) Up to 10 % of Sub-Fund assets may be invested in UCITS or UCI that are money-market funds, bond funds or funds pursuing an absolute return approach.</p> <p>e) In addition, deposits may be held and money-market instruments may be acquired.</p> <p>f) At the Sub-Fund level, the share of the assets and liabilities not denominated in EUR and not issued in a country participating in the OECD may not exceed 10 % of the value of the Sub-Fund assets.</p> <p>g) At the Sub-Fund level, the share of the assets and liabilities not denominated in EUR may only exceed 10 % of the value of the Sub-Fund assets if the amount exceeding this limit is hedged. Assets and liabilities denominated in the same currency are not included in this limit up to the smaller of the amounts. Investment instruments that are not denominated in a currency are considered to be denominated in the currency of the country in which the registered office of the issuer (for securities representing equities: the company) is located.</p> <p>h) The Duration should be between one and eight years.</p>	<p>a) Sub-Fund assets are invested in Interest-bearing Securities which are denominated in EUR and are issued in countries participating in the OECD and at the time of acquisition have a specific investment grade rating. Such Interest-bearing Securities, as defined in letter a) sentence 1 must carry a rating of BBB- or above (as rated by Standard & Poor's) or equivalent ratings by other recognized rating agencies or are not rated at all, but which, in the opinion of the Investment Manager, would carry a rating of BBB- or above if they were to be rated. If two different ratings exist, the lower rating determines whether an asset may be purchased; in case of three or more different ratings, the lower of the two best ratings shall be key. With reference to Appendix 1 No. 1 Index certificates and other certificates – all being securities according to the Law - whose risk profile typically correlates with Interest-bearing Securities or with the investment markets to which these assets can be allocated may also be acquired for the Sub-Fund. Mortgage-backed securities (MBS) and asset-backed securities (ABS) may not exceed 20% of the value of the assets of the Sub-Fund.</p> <p>b) Subject in particular to the provisions of letter j), up to 5% of Sub-Fund assets may be invested in Interest-bearing securities which carry a rating between BB+ (inclusive) and BB- (inclusive) (as rated by Standard & Poor's) or equivalent ratings by other recognized rating agencies or are not rated at all, but which, in the opinion of the Investment Manager, would carry a rating between BB+ (inclusive) and BB- (inclusive) if they were to be rated. If such an asset loses the minimum rating set out in letter b) sentence 1 it must be sold within 12 months.</p> <p>c) Subject in particular to the provisions of letter j), up to 10 % of Sub-Fund assets according to letter a) and b) may be invested in Interest-bearing Securities that at the time of acquisition are not rated by a recognized rating agency.</p> <p>d) Subject in particular to the provisions of letter k), equities and comparable rights may be acquired in the exercise of subscription, conversion and option rights on convertible bonds and bonds with warrants, but they must be sold within twelve months. Up to 5% of Sub-Fund assets as described in the aforementioned meaning may be invested longer than 12 months if the investment manager considers it in the best interest of the Sub-Fund.</p> <p>e) Up to 10 % of Sub-Fund assets may be invested in UCITS or UCI.</p> <p>f) Up to 100% of Sub-Fund assets may be held in deposits or invested in Money Market Instruments (which fulfil the requirements of letter a) accordingly) and (up to 10% of Sub-Fund assets) in money market funds on a temporary basis for liquidity management and/or defensive purpose and/or any other</p>
