## Moving to a unified Invesco brand across the globe

Technical Sales Team

Details from 1 October 2018

**This document is for Professional Clients only  
and is not for consumer use.**

---

In February, we confirmed that we are moving to a unified global brand - Invesco - everywhere we do business. Operating under a single brand allows us to better differentiate Invesco in the marketplace, strengthen our message to the market and contribute to a more consistent client experience.

The move to one brand means that there will be changes to our Investment Series names, ICVC fund names, administration centre name, contact email address and website address, to reflect the Invesco brand. Where required, we will be seeking Financial Conduct Authority approval and these changes will only be made on receipt of this approval.
